Park Alert: TRAIL WORK

Work starts:
December 2015

Project estimate:
30 days*

Trail restoration length:
.81 mile

*Dependent on weather conditions

Work Zone

Heavy Equipment Access

Be alert and yield to heavy equipment

The following trail will be **OPEN** to patrons while work begins on a .81 mile section of:

Lake Awosting Carriage Road

Lower Awosting Carriage Road will be used to access the work area, and construction equipment may be encountered along that route. Patrons are advised to proceed with caution and yield to heavy equipment and trucks, as necessary.

THANK YOU

for your continued patience and cooperation.
