## **OPRHP Staff**

The 2008 New York Statewide Comprehensive Outdoor Recreation Plan is a product of the continuing planning process of the New York State Office of Parks, Recreation and Historic Preservation. The Bureau of Resource and Facility Planning has the primary responsibility for developing the plan. However, its development would not have been possible without the valuable contributions of other agency staff; other state agencies; park, recreation, and preservation organizations; and private citizens as identified in the "Acknowledgements" section.

Overall supervision of the SCORP Program was provided by:

Robert W. Reinhardt, Director of Resource and Facility Planning
