**Amendment 3 Memo**

**DATE:** November 24, 2021

**TO:** All Potential Bidders

**FROM:** Eric Zeissler

**Re: RFP C003525 Amendment 3 change.**

The following substantive material question was received and OPRHP is providing response to inform Bidders prior to the bid deadline:

**Question:** “It is stated that there is a 20 page limit for our written Technical Approach and in those 20 pages we must answer/address all the criteria in the chart that you provide. As we are writing our Technical Approach we do not feel we can accurately answer within that 20 page limit and still provide you with all the information that you are requiring. Can you please confirm that there is a 20 page limit to our Technical Approach?”

**Response:** The 20 page maximum is specific to the written portion of the Technical Approach. The limit does not include visuals, charts, and presentation of the materials.

Project References (Attachment 10) and its supporting materials are not included in the 20 page maximum.
