**Re: Summary of IFB C003620 Amendment 1 change.**

**A. Revisions to IFB**

The change found below is outlined within the amended IFB document. Language that has been deleted is demonstrated by a strikethrough. Only those paragraphs that include changes are excerpted below. Please see the relevant document for complete language.

**Note:** Certain conforming non-substantive changes, including formatting and grammar, may have been made but not explicitly noted below or in the IFB documents.

1. Page 9, Section 1.5.3 Specific Treatment Approach

The second paragraph of Section 1.5.3 should state, as modified below, the Contractor will need to verify with the regional biologist.

1.5.3 Specific Treatment Approach

Timeframe 2, which occurs January 1st to October 31st of any year, the Contractor will need to verify ~~with an approved subcontractor~~ or with the regional biologist that no nesting birds or bats are within the designated area of treatment, prior to said treatments occurring.
