Refuse and Recycling Removal for Cayuga Lake and
Keuka Lake State Parks

10/27/2023

No.	IFB Section	IFB Page	Question	Response
1	2	9	As the current provider, our records indicate there might be different can sizes at Cayuga Lake State Park vs what sizes are listed on the new bid. Do the can specs on the bid accurately reflect the needs of the site and would the expectation be to swap out/update can sizes to match what is on the bid paperwork?	Yes, the container specifications in the IFB accurately reflect the needs of the sites. Containers provided in accordance with the resultant contract of this IFB must match those required within the IFB.
