1	1.4	6	I would like to inquire about the impact of section 1.4, the Mandatory Pre-Bid Site Visit, on my eligibility to bid. I missed the pre-bid Site Visit due to discovering this contract only 4 days after the visit took place. Could you please clarify if this circumstance prohibits me from submitting a bid for this particular contract, as per the documents guidance.	As stated in section 1.4 of the IFB document, attendance at the pre-proposal Site Visit is mandatory. Only those vendors who attended are eligible to bid due to the nature of the services needed.
