

Questions and Responses

OP33000

Two (2) Law Enforcement Vessels for Parks Police

No.	IFB Section	IFB Page	Question	Response
1	Attachment 1 - Bid Form	Pg. 50	When do the boats need to be delivered?	Please refer to the Attachment 1 - Bid Form. Bidders are required to provide the "Estimated Number of Days to Fabricate and Deliver."
2	2.1	Pg. 8	We request milestone payments in lieu of a single payment after delivery. This is common with most Municipalities, States and the Federal Government.	The contract does not provide for milestone payments. Per Section 2.1 Overview: A one-time payment will be made to the Contractor upon delivery and written acceptance by OPRHP staff.
3	3.4	Pg. 12	As noted in your clause that encourages use of NY businesses, as ask that the evaluation be changed from Low Price to Best value which is permitted in the Procurement rules. This not only benefits the State of NY and its taxpayers, it will encourage more Ny businesses to participate. It also allows you to weigh the New York economic benefits.	OPRHP declines this request to change the bid evaluation from Low Bid to Best Value.
4	Exhibit A: 31	Exhibit A: Pg. 1	What is meant by independent compartments in this clause?	Independent compartments shall mean that they are separate chambers and not one continuous chamber; port chamber, starboard chamber and front bow chamber.

5	Exhibit A: 35	Exhibit A: Pg. 1	<p>This refers to a cabin that is full beam. If the cabin is full beam, do you mean to the outside of the side decks?</p> <p>This would mean you have no side decks.</p> <p>Do you mean to the outside of the collar?</p>	<p>The cabin shall be full beam extending to gunwale. OPRHP is not specifying a vessel with side decks.</p> <p>OPRHP is not specifying a vessel with side decks.</p> <p>OPRHP is requesting the cabin extend to the gunwale, not to the outside of the collar.</p>
6	Exhibit A: 63	Exhibit A: Pg. 2	Does an integrated anchor mean in a compartment under the drop bow?	The anchor shall be "thru-hull" intergarted into the hull to allow for operation utilizing a windlass. The anchor and bow door shall not interfere with each other.
7			We request an extension to the close date for questions or permit us to seek further clarification of the answers to questions.	OPRHP shall grant the request for an additional 'questions and answers' period, which will in turn extend the due date for bids to be be received. Please see Amendment 1 for details.
