

Questions and Responses

OP33100

Herbicides, Fungicides and Insecticides (Pesticides) for NYS Golf Courses in Long Island Region 2025 Operating Season

No.	Question	Response
1	We want to offer an alternative GREEN solution to a few of the items you need. 1) can we bid only on part of the items?	No, OPRHP will not be accepting bids on part of an item. Please carefully read the IFB in it's entirety, specifically IFB Section 2. Minimum Specification for additional information related to method of award. <ul style="list-style-type: none">• Award will be made per item.• Bidders are not required to bid on every item.• Vendors must be an authorized distributor for the item they bid on.• Substitutions will NOT be accepted for items that include EPA Registration Numbers.• For generic products, Bidders must include a copy of the label, EPA REG# or a web link.
2	2) Would you accept Green Organic alternatives?	Please see response to question number 1.
