No.	IFB Section	IFB Page	Question	Response
1	2.4	9	As its mentioned that we need to provide 250 rooms, will it be single or double occupancy rooms or both?	A block of 250 single/double occupancy rooms at the current county GSA rate must be available for booking until 11:59 p.m. 21 calendar days before the event so that attendees may make reservations.
2	2	8	If we cannot provide all 250 rooms in one hotel, will multiple properties be considered?	Per IFB Section 2 Minimum Specifications, OPRHP is seeking a facility with adequate space to hold 320 attendees and include lodging for up to 250 overnight guests. Per IFB 2.2 Location, attendees will be traveling statewide to attend this event, with up to 250 overnight guests. For the conference to be successful and convenient to all attendees, specifically overnight guests, OPRHP declines to accept overnight accommodations from multiple properties.
