The New York State Office of Parks, Recreation and Historic Preservation (OPRHP) is preparing a plan for a comprehensive statewide system of non-motorized multi-use trails (Greenway Trails) as directed by legislation signed by Governor Andrew M. Cuomo in November 2019. OPRHP will hold two public webinars to provide information on the Draft Scoping Document for the plan and offer the public an opportunity to comment.

The webinars have been moved to May 14, 2020, at 9:30 -10:30 am and at 2:30 – 3:30 pm (content will be the same). People wishing to attend a webinar should send an email to StatewideTrailsPlan@parks.ny.gov with their name, title and organization requesting registration for the webinar. A registration confirmation email will be sent. Three working days prior to the webinar they will receive login information. Deadline to register is May 10, 2020.

Public comment period has been extended. Written comments will be accepted until May 31, 2020. Following the written comment period, OPRHP will prepare and post a Final Scoping Document.
