YMCA Camp Michikamau (and Kahagon)

Camp Contact: Martin Richards, [mrichards@ymcagbc.org](mailto:mrichards@ymcagbc.org)

Website: <http://www.ymcagbc.org/child-care-camp/camp/summer-camp>

For over 80 years Camp Michikamau has offered a high quality traditional overnight camp for youth and teens. Summer 2017 will be our 88th camp season. Michikamau means "great gathering" and a great gathering is what we truly are. Every summer, in addition to the majority of our campers that come from Bergen County NJ, we are proud to welcome campers and staff from every inhabited continent on Earth.

Our sleepaway camp program provides a balance of structured, cabin group and choice activities. In the first week of a camp session we have a fixed schedule and every camper gets to try out every activity area in camp, along with the YMCA staple of daily swimming lessons of course. The philosophy behind this is to ensure that each child tries activities that they would not otherwise have chosen to participate in. The philosophy works, every session we have campers that choose activities in our second week of camp, known as "choice week", that they would otherwise have never chosen to experience in the first place. In addition to our activity periods, there is one open activity period every day called "leisure time" where campers can choose to go boating, swimming, go to the sports complex, shop at the camp store or just relax and enjoy time with their friends. Each camper receives daily swim lessons taught by qualified swim instructors. Each evening, after dinner, campers enjoy a camp activity such as casino night, dance, scavenger hunt, gold rush, talent show or camp fire.
