**Castile, NY 14427**

**Chronic Wasting Disease (CWD):** CWD remains a serious threat to NY deer populations. DEC conducts disease surveillance to look for CWD. We encourage hunters to reach out to their local DEC to have their deer harvests tested. Report suspected sick deer to your regional DEC office 518-402-8013 or the Park office (585) 493-3600.
