

## Parks, Recreation and Historic Preservation

Taconic Region  
Rockefeller State Park Preserve

# VOLUNTEER OPPORTUNITIES

Rockefeller State Park Preserve

### Environmental Stewardship

Our forests, fields, and wetlands provide important habitat for birds, amphibians, reptiles, mammals, pollinators, and insects. We have over 1700 acres and rely on volunteers for much of our stewardship work.

Be part of the solution and join our environmental stewardship team to combat the major threats to our environment head on!

Whether you're digging up invasives or planting native trees, you'll be learning about what you're doing every step of the way! Days and times vary. No experience necessary. See contact info below.

### Community Service:

Many come to the Preserve to give of their time to volunteer for much needed projects in the Preserve. It's a real win-win for everybody. Whether its school or social obligations, come to the Preserve and feel good while doing good for the community and the environment.

See contact info below.

### Events:

The Preserve and our Friends group always need extra hands to help with the 10K race (Spring), the 5K race (Fall), the Equestrian Trail Ride & Lunch Horse event (Fall), and more!

See contact info below.

### Tree Peony and Fern Garden:

Help care for the Preserve's spectacular Tree Peony Garden and Fern Garden. Volunteers are particularly needed in spring and fall, and on weekdays. No experience necessary.

See contact info below.

### Corporate Work Days:

Rockefeller Preserve collaborates with local industry and organizations hosting volunteer workdays for corporate, church, school, and other groups of between 10 and 20 people. These workdays are a healthy opportunity for groups to engage in team-building and fulfillment of social responsibility goals while benefiting the environment and spending time outdoors. Please contact us to learn more!
