Thank you for choosing Schodack Island State Park for your event. **Please read through the information BEFORE sending in your reservation form.** Please complete the reservation form and return it with a check or money order made payable to: **NYS Parks**. Your application and permit must be finalized before the reservation date or your date will not be held. Once we have received your completed reservation form and payment, we will send you a receipt and a copy of the reservation which is your confirmation.

Your reservation entitles your group to use the tables in the tent(s) as well a grill. Please note that the restroom, drinking fountains, tables outside of the tents or parking areas may be used by other patrons. All reservations are made for full day use; no half-day fees are available. All children under ten must have direct supervision.

The rental season for reserving the tent/pavilion is generally April 1 through Columbus Day, 8:00 A.M. to sunset. There are no trash receptacles; this is a carry in carry out park. For a small fee, you have the option to have your trash removed. See Shelter Reservation Application. It is your responsibility to remove your garbage and leave the area clean at the end of your event. Please put picnic tables back if you have moved them out of other areas.

**No driving to tent/pavilion areas on grass or walking path.** **All** vehicles must park in designated parking lots only. In the event that you would like to request permission to load and unload at the designated site, you **MUST** get prior permission, and have it added to the conditions of your permit.

**Beer and wine are allowed by permit only,** which is generally issued on the day of your reservation unless other arrangements are made. There is no fee for this permit. Patrons must be 21 years or older to consume alcoholic beverages in New York State Parks.

**Special Use Permits/Special Event Permits** may be required for activities involving live music, stereo equipment, outside caterers, bounce units, etc. Contact the park at least **30 days** in advance to obtain any necessary permits and or insurance requirements. **Other fees may apply.**

**There is a \$6 Vehicle Use Fee** in place weekends and holidays beginning mid-April through Columbus Day. (Dates are subject to change).

**Cancellations may be made at any time.** For cancellations made more than 30 days prior to the reserved date, a full (100%) revenue credit shall be issued minus a small processing fee. For cancellations made prior to ten (10) days before the reserved date, a 50% revenue credit shall be issued. No revenue credits shall be issued for cancellations made less than ten (10) days prior to the date of reservation.

**Refund requests must be made per NYSOPRHP policy, which is a letter stating reason for refund, sent to the park office. Bad weather is not a valid reason for a refund. The State will deduct a processing fee for any refund issued.**
