

Want a FREE way to connect with nature and explore the Heldeberg Escarpment? The Mohawk Hudson Land Conservancy has partnered with various NYS park programs to provide the Nature Bus, a free CDTA resource that transports patrons from Albany to various parks within the Capital Region. With various outbound and inbound times from dusk to dawn, patrons are provided the opportunity to explore the plethora of trails containing breathtaking views of the Helderberg Escarpment and seasonal waterfalls. With the bus stopping directly in front of the Visitor's Center, patrons are welcome to learn about the geological and historical information of the park, purchase merchandise, or walk out the door to the trailhead of our most popular trail, the Indian Ladder Trail. We encourage everyone to take advantage of this amazing opportunity at no cost. To access more information visit: <https://www.cdta.org/news/nature-bus-now-running>.
