

New York State Snowmobile Safety Education Course COVID-19 Screening Questionnaire

Instructions: Snowmobile Safety Education Course Instructors must ask the following questions of each student, guest instructor, support staff and visitor BEFORE they enter the training room. Instructors should also use this questionnaire to self-screen before teaching a course. Additional screening measures may be utilized at the discretion of the instructor. Instructors choosing to include temperature checks as part of their screening process are prohibited from keeping records of health data (e.g. temperature data).

- 1) In the past 14 days have you tested positive for COVID-19?

- 2) In the past 14 days, have you experienced new or worsening symptoms of COVID-19, not caused by another condition? Please answer “Yes” or “No” to each symptom:
 - Fever (100.4°F or higher) or feeling feverish
 - Chills
 - Cough
 - Shortness of breath or difficulty breathing
 - Fatigue
 - Muscle or body aches
 - Headache
 - Loss of taste of smell
 - Sore throat
 - Congestion or runny nose
 - Nausea or vomiting
 - Diarrhea

- 3) In the past 14 days, have you been in close contact with anyone who has tested positive for COVID-19, who has symptoms of COVID-19, or had symptoms of COVID-19?

- 4) Have you or any member within your household recently traveled within any designated states with significant community spread, listed on the COVID-19 Travel Advisory? The list of states is updated regularly by DOH (<https://coronavirus.health.ny.gov/covid-19-travel-advisory>). *If student responds “yes”; ask question 5. If student responds “no”, end screening.*

- 5) During the course of your travel, was travel within any “designated” state extended or longer than “passing through”? *If student responds “no”, end screening.*
 - a. travel advisory does not apply to any individual passing through designated states for a limited duration (i.e., less than 24 hours) through the course of travel. Examples of such brief passage include but are not limited to: stopping at rest stops for vehicles, buses, and/or trains; or lay-overs for air travel, bus travel, or train travel.

Any person who responds “yes” to any questions listed on this COVID-19 screening questionnaire, cannot attend the course and should be advised to register for a course scheduled at least 14 days after they are no longer experiencing symptoms, or after they receive medical clearance from a healthcare provider.
