- Download a copy of the Taconic Region Geocache Challenge Passport at from [www.parks.ny.gov](http://www.parks.ny.gov)
- Go to [www.geocaching.com](http://www.geocaching.com) to get the coordinates for each cache in the challenge, and then plug them into your GPS unit or download the Geocaching app.
- Go to each of the participating parks and historic sites and begin the search.
- When you find each cache, sign the logbook and look for the unique stamp in each cache to stamp your passport. You may take or trade items in the cache, but leave the stamp behind for other cachers!
- When you find caches at a park or historic site, feel free to stop by the park office and let us know how it went. We love to see your photos! Share your photos on either [geocaching.com](http://geocaching.com) or on our Facebook pages.
- When you have successfully stamped your passport with 45 of the total caches, you will be eligible for a highly collectible, unique and trackable geocoin. Bring your completed passport to FDR State Park or Lake Taghkanic State Park before November 11, 2024 (Veteran's Day). Staff will verify that you have completed the challenge and you will receive your trackable geocoin.
- Expand your travels and visit the Saratoga and Central Region. Find any 10 caches in the NYS Parks Saratoga-Capital District and/or the Central Region Geocache Challenge and they will count toward your goal of 45 caches in the Taconic Region Geocache Challenge!
