

Welcome to the Challenge!

The Thousand Islands Region of NYS Parks is excited to host its first Geocache Challenge in 2025. Encompassing acres of trails, campgrounds, beaches, golf courses, lakes, rivers, historic sites, and stunning views, we welcome you to come discover and explore our parks.

Become a great explorer as you collect 45 of the hidden caches in the Thousand Islands region and receive the 2025 limited edition, highly collectible geocoin.

You may also visit another region of NYS Parks to collect up to 10 stamps toward the Thousand Islands Region Challenge.

Please remember to take only pictures and leave only footprints.

**If you have 45 stamps,
CONGRATULATIONS!**

- Go to www.geocaching.com to get the coordinates for each cache in the challenge, and plug them into your GPS unit or download the Geocaching app.
- Go to each of the participating parks and historic sites and begin the search.
- When you find each cache, sign the logbook and look for the unique stamps in each cache to stamp your passport. You may take or trade items in the cache, but leave the stamp behind for other cachers!
- When you find caches at a park or historic site, feel free to stop by the park office and let us know how it went. We love to see your photos! Share your photos on either geocaching.com or on one of our Facebook pages.
- When you have successfully stamped your passport with 45 of the total caches, you will be eligible for a unique, collectible geocoin. Bring your completed passport to the TI Regional Administration office, Southwick Beach Nature Center, Minna Anthony Common Nature Center, or Point Au Roche Nature Center. Staff will verify that you have completed the challenge and you will receive your geocoin.
- Expand your travels and visit another region! Find any 10 caches in another NYS Parks region and they will count toward your goal of 45 in the Thousand Islands Region Geocache Challenge!
